Dear Mr. Strickland,

Thank you for your service during our 7th grade trip to Washington, D.C. from November 3-6, 1998. Your and Mr. Sprinkle's advance planning as well as your ability to work around unexpected situations made our trip a rather enjoyable one. The motel was more than adequate, your costs were affordable and your service was superb.

In previous years we have regularly made our trip in the spring. However, visiting D.C. in the fall gave us the ability to walk immediately into many buildings instead of standing in line. Since the average high temperature in November is higher than that of March, I believe that we will be able to continue scheduling our trip in the fall.

I hope to speak to you soon to schedule next year's trip.

Sincerely,

Mr. Mark D. Sochowski
